## *The Mission of the Manger*

Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age. — Matthew 28:19-20

Happy February, Hollywood! We off to a great start on our shoebox collection in 2022! We are already planning for and looking forward to our packing party in November.

Every box packed at our packing party includes: an age appropriate wow item (toy, ball, etc.), a stuffed animal, clothing items, school supplies, hygiene items, small toys, games, and accessories. Each year we have a goal of packing between 150-175 boxes at our party, with thousands of items packed. We collect items all year long, with a special focus on a particular item each month.

In January, we asked for donations of winter clothing items (hats, gloves, or scarves, etc.). We haven't quite reached our goal for that yet, but our crafters are busily working, so I'm sure that we'll reach it shortly! In February our focus is accessories (sunglasses, watches, hair bows, scrunchies, bandanas, small purses, necklaces, etc.)

Please place any donations in the collection box in the foyer near the sanctuary. If you have any questions, please let us know!

**January Goal: 9/150 Winter Clothing Items**

**February Goal: 150 Accessories**

Dear Praying Friends and Partners in Christ,

We hope that this letter finds you rejoicing in the Goodness and Blessings of our Lord Jesus Christ.

We Pray that all is well and all doing good during these times. We are so Blessed and Thankful for God's Goodness n Blessings upon our ministry and our families. God has been good!!!

As we have entered into this New Year, we look forward to what God has in store for us. Whether Blessings, Trials or whatever comes we know that He is continuously with us and will be with us through whatever He puts us through.

For us we ended the year of 2021 in quarantine from Covid 19. 10 of us caught the virus during the week of Christmas and we just all quarantined together. We all done good with it, thou, Rhonda mad Shasta lost there smell, Taylon, Dawny, Brittany and her husband Isaiah lost taste and smell, Dawny's kids Hayden, Myla and I did well. During the week our oldest Cynthia and her family brought out meals and medication for us. Rhonda's mom ended up in the hospital for a week, got pneumonia along with Covid and was down and didn't look well for awhile but Thanks to the Lord she is on the mends and getting better and stronger daily. She has to be on oxygen daily and she is here with us in our home at this time. Rhonda's younger sister had her for awhile when she got out of the hospital and older sister is coming down from Washington to care for her the beginning of February for a couple of weeks. Rhonda's dad is still in a home with dementia and is starting to get less mobile and his appetite regressing more and more. Please continue to Pray for him and the rest of us, especially Rhonda as she has taken the majority of caring for her parents.

Though Covid has taken a toll on many we are just Thankful for the Lords continual Blessings and watch care over us. This New Year may we put it ALL in the Lords Hands and tell Him it's All Yours and we Trust in You through it All in 2022!!!

We have had a couple work groups reach out and said they would like to back out this year to be a Blessing here in Navajo Land. Looking forward to see who the Lord sends out our way to be a Blessing. God is ALWAYS Good!!!

Again, We want to Thank each and every one of you our Partners in Christ, who has supported this ministry the Lord has put us in, by praying for us and those of you who support us monetarily, we Thank You for your Faithfulness.

In His Service To the Navajo,

The Benally's

# WELCOME TO DAUGHTERS OF HOPE

HBC'S Women's Ministry – February 2022

I don't know about you, but I want to live and speak more boldly for Christ to friends, family and strangers God places in my path. But here is the thing: being bold is SCARY. Why? Because it requires us to be vulnerable, to put ourselves out there and to be firm in our beliefs, regardless of if we have the same beliefs as someone else or not and to risk rejection and even ridicule.

Sometimes we are fearful because we don't know exactly how to say what we believe, we worry because we didn't go to seminary, we don't have every Bible verse memorized, we don't know every historical reference in the Bible and we can't read or speak Greek. It is usually easier to just keep wishing we were bolder, to admire and envy bold people, to follow them on social media, to read biographies of bold people, watch movies about bold people ... than it is to step out and actually BE BOLD.

I for one am guilty of all the above. But here is the good news: Not knowing everything or being fearful does NOT disqualify us to share the love of Christ. Thank goodness! **Sweet friends, God created us for purpose, not perfection. He is eager to do things in and through us, but we must decide to take the risk to step out and be bold!**

Boldness feels risky- but only when we do it on our own. When the Lord has called us and is leading the way, we can follow Him without fear, knowing that the outcome is always in His capable, mighty hands. God takes ordinary, flawed people like you and me and helps us to be bold to fulfill His purpose and calling.

My prayer is that this month as we read and write verses about being bold, we stop being fearful and we pursue boldness, doing whatever it takes to declare the gospel to every person the Lord calls us to and puts in our path! (excerpt taken from Swt blessings.org)

We had a drawing in January & our winners won these great books:

We invite you to join us this February as we read & write the Scriptures each day. If you can't write them all, do what you can. Commit to at least reading them each day and when a verse stands out to you, write that one down. Writing helps lock the words in our minds so we can meditate upon God's Word throughout the day...allowing it to take root in our hearts. Often, God uses the passage that day to encourage you, guide you or gives you what you need to encourage someone else!
