The Mission of the Manger

Happy August, Hollywood! We off to a great start on our shoebox collection in 2024! We are already planning for and looking forward to our packing party in November.

Every box packed at our packing party includes: an age appropriate wow item (toy, ball, etc.), a stuffed animal, clothing items, school supplies, hygiene items, small toys, games, and

accessories. We have a goal of packing between 175-200 boxes at our party, with thousands of items packed. We collect items all year long, focusing on a particular item each month.

In January, we asked for donations of winter clothing items (hats, gloves, or scarves, etc.). In February our focus was accessories. In March we focused on quality hand crafted items, and our crafters did not disappoint. We received bracelets, necklaces, bags, dresses, scrunchies, jump ropes, and more! In April we collected stuffed animals, because every child needs something soft and fun to cuddle. In May we focused on hygiene items. In June we focused on everyone's favorite: toys! In July we collected clothing items. In August we focused on school supplies. In September we will be focusing on puzzles and games! Please place any donations in the collection box in the foyer near the sanctuary. If you have any questions, please let us know!

January Goal: 95/175 Winter Clothing Items February Goal: 736/175 Accessories

March Goal: 149/175 Quality Handcrafts April Goal: 56/175 Stuffed Animals

May Goal: 305/175 Toothbrushes 305/175 Combs

June Goal: Wow Item Girl: 75/90 Wow Item Boy: 31/90 Small Toys: 450/175

**July Goal: 97/175 Clothing Items August: 900/900 Pencils 125/150 Paper 137/150 Crayons

Children's Church Update

September 2024

We continue to grow in our Children's Church ministry. We have had over 40 kids present on several weeks during the past few months. Because of this, we have moved into the new building where we are making adjustments as necessary to see what works as far as age groups, and space. We have a big assembly in the gym each week and have a time of singing, memory verses, and prayer, followed by a skit that goes along with the theme of the lessons we are doing. Then we have a large group lesson.

After this lesson, the younger children go to a classroom for a time of review, and an activity or game. The older children stay in the gym for their review, and a game or activity. We try to make everything interesting and exciting for the kids so they will love coming to Children's Church.

Right now, we are working through a unit on prayer, and the children are learning how different people in the Bible prayed to God—what were their circumstances, problems, etc. and how their prayers were answered by God. We have learned about Samson, Hannah, Jonah, Elijah, Solomon, and Daniel thus far. Each had a different need, but God met them in their need and answered their prayers.

Thank you to all of you who have volunteered to help in this ministry. As the numbers increase, we will need more people to work. We have various areas where you will be able to use your gifts in this ministry. Just last week, we had a lady who just loves little children take the younger group and they had a wonderful time together learning about Daniel and his prayers.

Our youth have really stepped up to fill in where needed. We are so thankful for them, but we need more adults also, and we want the youth to be in church for preaching at least once a month.

Maybe you have musical talent, or can do crafts, or love games, or have a burn to teach the Bible to children, or can act in skits, or can just sit with a child who needs a little extra attention—God can use all of us. Together, we are influencing the next generation for the kingdom of God.

Please contact me if you have some time to give, and we will try to match up your gifts with the needs of each week. (434-724-4095)

Thank you, Church, for providing this ministry. Thank you, Parents, for entrusting your children to us.

In His Service,

Children's Church

Sunday School August 2024

In August 2024, we had an average attendance of 119. We had over 100 each week. Praise God!

I'd like to take this opportunity to invite any of you who haven't been a part of our Sunday School to come out and join us. We have classes for all ages, and a nursery so even young parents can attend. We have relevant Bible studies in each of our classes to help us grow in our faith, as we live out this Christian life.

In Sunday School, you get the opportunity to meet others who may have similar struggles and are dealing with many of the same things as you are. You will find that you are not alone. You may make some lifelong friends who will help you grow in your faith as we fellowship together around the Word of God.

So, as you can see, there is no downside to Sunday School.

Here is a list of our classes:

Nursery (0-2)

Busy Bees (5-1st grade)

Youth 1 (6th-8th grade)

Little Lambs (3-4)

Some unsung heroes of Sunday School all year long are Chuck Easley and Terry Moore, who keep up with our attendance and make sure our records are accurate. Also, Sherry Reynolds gathers the rolls and brings them over to the SS office many times to keep Chuck and Terry from having to collect them. Thank you to these people who are always working behind the scenes to keep things going smoothly.
